

Advocacy Workshop for Childcare Providers

Learn how *your* personal stories can help lawmakers connect the dots between policy, childcare, the strength of Mississippi's current and future workforce.

At the workshop, you'll learn:

- How early childhood and childcare policy is made, and the points in the process where your input can have the greatest impact.
- How to get face-time with your senators, representatives, and other elected officials.
- How to make the most of your time with legislators to drive the changes you want to see.
- Where to find resources, guidance, and opportunities for advocacy.
